

TomatoPalooza

Saturday, April 18, 9.a.m.

What: Calling all tomato fans and gardeners! The annual Tomato Market at [Bon Air](#) features a curated selection of 2,500 tomato starts from the [UC Cooperative Extension Master Gardener](#) program. Nine heirloom and eight hybrid tomato varieties have been selected for their exceptional taste, superior growth habits, disease resistance and performance in Marin's microclimates. Grown from seed by Marin Master Gardeners at San Rafael's Falkirk greenhouse, the ready-to-plant tomato starts are \$4 each. Tomato experts and Marin Master Gardeners will be on-hand to answer questions and offer Marin-specific watering and growing tips. The tomato starts go quickly, so early arrival is recommended.
