TIME FOR TOMATOES

Saturday, April 23rd 9.a.m.

What: Heralding spring with the promise of a sweet summer crop, Marin's annual Tomato Market at [Bon Air](#) is back! Tomato fans and gardeners will choose from a curated selection of nearly 3,000 tomato starts from the [UC Cooperative Extension Master Gardener](#) program. Six heirloom and ten hybrid tomato varieties have been selected for their exceptional taste, superior growth habits, disease resistance and performance in Marin's microclimates. The Tomato Market is later in the season, allowing growers to plant their tomatoes immediately, yielding strong, healthy, productive plants. Grown from seed by Marin Master Gardeners at San Rafael's Falkirk greenhouse, the ready-to-plant tomato starts are \$4 each. Tomato experts and Marin Master Gardeners will be on-hand to answer questions and offer Marin-specific watering and growing tips. The tomato starts go quickly, so early arrival is recommended.

- **New Offerings:** Japanese Trifele, Jetsetter, Russian Big Roma
- **A Rainbow of Cherries:** Chocolate Cherry, Rapunzel, Sun Gold and Sweet 100
